BORDEAUX GIRONDE, A GREAT PLACE TO LIVE

2 hrs from Paris and Toulouse

Bordeaux, **CONNECTED**

With its **international airport** (6.6 million passengers/year), its **TGV train station** connecting the city to Paris in 2 hrs (32 return trips/day), its **industrial and tourist maritime port** in development, and its position at the heart of a hub of highway interconnections, **Bordeaux is an easy-to-access city.**

Bordeaux, **RELAXED**

Nestled between prestigious **vineyards** and the winding banks of the **Garonne**, **Bordeaux offers a unique setting**, combining peaceful **forest** (3 million ha), the tranquil beaches of the **Atlantic Ocean** and the **Bay of Arcachon** (45 mins), the fresh air of the **Pyrenees** (2.5 hrs) and the lively energy of urban life.

Bordeaux, **SPORTS**

Golf, soccer, rugby, surfing, skateboarding - **Bordeaux hosts many national and international sporting events** (2024 Olympics, 2023 Rugby World Cup).

It also offers its residents many kinds of sporting activities, accessible to all, via a large number of clubs and associations.

Bordeaux, **CULTURE**

UNESCO World Heritage-listed since 2007, Bordeaux is home to museums and galleries, and hosts major concerts from international artists every year (Ed Sheeran, Muse, The Weeknd). Bordeaux is also renowned for **gastronomic excellence**, with 11 Michelin-starred restaurants and 2,500 high-quality establishments.

Bordeaux, **ATTRACTIVE**

Regularly ranked among the **most livable cities in the world**, Bordeaux boasts an efficient tram and bus network as well as 1,500 km of cycle paths (2nd-ranking city in France).

75% of work-home commutes are less than 10 km.

Bordeaux, **NATURE**

Bordeaux Métropole is ranked **1st among 10 exemplary cities for biodiversity preservation**, with 51% of its surface area made up of natural, agricultural and forest spaces, with 55,000 additional ha of green space and 1 million more trees planned. **It is the only metropolis in the world to have vineyards in an urban setting.**

Bordeaux Gironde, at the Forefront of the Space Industry

- A foundational and historic territory for the space industry, home to all major actors in the field, including NewSpace.
- A hub for innovation, high-level qualifications and training for technicians and engineers.
- A cutting-edge technology park offering real estate and property solutions that are available and adapted to YOUR needs.
- Support structures focused on the success of actors in the sector.
- A customized welcome and efficient environment, in close relation with decision-makers where YOU are unique.
- A geographically connected, dynamic, attractive area – a great place to live.

A LOCAL AREA READY TO WELCOME YOU

Local support structures ready to receive you:

Bordeaux Gironde, a historic part of **Aerospace Valley**, mobilizes its resources to welcome space industry companies:

- Accessible political decision-makers, available and adapted HR staff, plenty of real estate personnel.
- **At your disposal:**

- **Unique testing centers** (DGA, CESA Drones)
- A distinctive and exceptional asset with **25 ha of property** next to the Bordeaux airport runway
- **Very high quality research and training** (NAASC)
- A major annual event, **the NextSpace European Symposium**
- **Way4Space**, a center for innovation and inspiration
- **Bordeaux Technowest**, a technopole labeled as an ESA Business Incubation Center
- **BAAS**, Bordeaux Aquitaine Aeronautics and Spatial Association

OUR LOCAL AREA IS READY TO SUPPORT YOUR DEVELOPMENT

Leader in the following sectors:

- Space launchers
- Space propulsion
- Atmospheric re-entry
- Optics, photonics and laser
- Robotics and electronics
- Ceramic matrix composite (CMC)
- Simulation tests of atmospheric re-entry
- Propulsion and zero-G tests

Training:

- **Over 300 courses** in aeronautics and spacial roles, from operator to engineer
- **Over 2,000 engineers** and **3,000 technicians** in training in the area

Territoires
girondins

Created in 1996 at the initiative of local municipalities (**Ville de Bordeaux, Bordeaux Métropole and Région Nouvelle-Aquitaine**) and the **CCI Bordeaux-Gironde**, we are the agency for sustainable and responsible economic development in Bordeaux and Gironde.

Our association is co-funded by the European Union and supported by over 150 members.

Invest in Bordeaux aims to identify, **define and support investment projects** in Gironde (location, relocation or expansion) in close collaboration with local partners.

OUR SERVICES

We provide confidential, personalized and free assistance in the following areas:

- Preselecting sites and consulting on choosing a location for an activity
- Accompaniment on HR aspects and **employee mobility**
- Presentation of **funding solutions** (public assistance / taxation / own funds)
- **Information on the local economic environment** (panorama, sector-specific documents, research, salaries, etc.)
- **Assistance in administrative** procedures and formalities
- **Insertion in the local ecosystem** and communication.
