BORDEAUX GIRONDE, A GREAT PLACE TO LIVE

2 hrs from Paris and Toulouse

Bordeaux, **CONNECTED**

With its **international airport** (6.4 million passengers/year), its **TGV train station** connecting the city to Paris in 2 hrs (32 return trips/day), its **industrial and tourist maritime port** in development, and its position at the heart of a hub of highway interconnections, Bordeaux is an easy-to-access city.

Bordeaux, **RELAXED**

Nestled between prestigious **vineyards** and the winding banks of the Garonne, Bordeaux offers a unique setting, combining **peaceful forest** (3 million ha), the tranquil beaches of the **Atlantic Ocean** and the **Bay of Arcachon** (45 mins), the fresh air of the **Pyrenees** (2.5 hrs) and the lively energy of urban life.

Bordeaux, **SPORTS**

Golf, soccer, rugby, surfing, skateboarding - Bordeaux hosts many national and **international sporting events** (2024 Olympics, 2023 Rugby World Cup). It also offers its residents many kinds of sporting activities, accessible to all, via a large number of clubs and associations.

Bordeaux, **CULTURE**

UNESCO World Heritage-listed since 2007, Bordeaux is home to **museums and galleries**, and hosts major concerts from **international artists** every year (Ed Sheeran, Muse, The Weeknd). Bordeaux is also renowned for gastronomic excellence, with 11 **Michelin-starred restaurants** and 2,500 high-quality establishments.

Bordeaux, **ATTRACTIVE**

Regularly ranked among the most livable cities in the world, Bordeaux boasts an efficient tram and bus network as well as 1,500 km of cycle paths (2nd-ranking city in France). **75% of work-home commutes are less than 10 km.**

Bordeaux, **NATURE**

Bordeaux Métropole is ranked 1st among 10 exemplary cities for biodiversity preservation, with **51% of its surface area made up of natural, agricultural and forest spaces**, with 55,000 additional ha of green space and 1 million more trees planned. It is **the only metropolis in the world to have vineyards** in an urban setting.

Bordeaux Gironde: At the Forefront of civil and military aviation

- A foundational and historic territory for civil and military aviation, home to all major actors in the field.
- A hub for innovation, high-level qualifications and training for technicians and engineers.
- A cutting-edge technology park offering real estate and property solutions that are available and adapted to YOUR needs.
- Support structures focused on the success of actors in the sector.
- A customized welcome and efficient environment, in close relation with decision-makers where YOU are unique.
- A geographically connected, dynamic, attractive area – a great place to live.

A LOCAL AREA READY TO WELCOME YOU

Local support structures ready to receive you:

Bordeaux Gironde, the historical home of **Aerospace Valley**, actively assists the location of aeronautic businesses in the region and promotes more sustainable aviation.

- Support from local authorities, helpful and adapted HR services, and a vast range of location solutions.
- **At your disposal:**

- **Unique test offers** (DGA EM, DGA EV, CESA Drones)
- A **comprehensive regional supply chain** encompassing a full range of expertise, from start-up to SME, mid-cap company or laboratory
- A unique and outstanding asset in France with **25 ha of land adjacent to Bordeaux Airport's runway**
- A vast **network of aerodromes** with adjacent land
- **Key events** and fairs, such as UAV Show, AD2S and the Aeronautics and Space Summit
- **Bordeaux Technowest**, the metropolitan technology park devoted to ASD

THE PERFECT REGION TO BOOST YOUR GROWTH

Sector leader in:

- Civil and military aircraft construction
- High performance composites
- Ballistic missiles
- Civil and military drones
- Military and civil aircraft maintenance, MCO
- Embedded electronics and simulation
- Cockpit systems

Training

- **Over 300 courses** in aeronautics roles, from operator to engineer
- Over **2,000** engineers and **3,000** technicians in training in the area

OUR SERVICES, EXPERTS IN BUSINESS DEVELOPMENT

Created in 1996 at the initiative of local municipalities (**Ville de Bordeaux, Bordeaux Métropole and Région Nouvelle-Aquitaine**) and the **CCI Bordeaux-Gironde**, we are the agency for sustainable and responsible economic development in Bordeaux and Gironde.

Our association is co-funded by the European Union and supported by over 150 members.

Invest in Bordeaux aims to identify, define and support investment projects in Gironde (location, relocation or expansion) in close collaboration with local partners.

We provide **confidential, personalized and free** assistance in the following areas:

- **Preselecting sites** and consulting on choosing a location for an activity
- Accompaniment on HR aspects and **employee mobility**
- Presentation of **funding solutions** (public assistance / taxation / own funds)
- **Information on the local economic environment** (panorama, sector-specific documents, research, salaries, etc.)
- **Assistance in administrative** procedures and formalities
- **Responsible local anchoring** and communication
